COVID-19

Due to the ongoing national efforts to deal with the outbreak of the Coronavirus/Covid 19, from next Monday the 16th March 2020, our staff will work remotely, adhering to normal operating office hours.

Our aim is to lower the risk to employees and help to lower the chances of the spread of the virus to our loyal customers and their families.

We would like to assure our customers that we will operate on a 'business as normal' basis and will continue to fully support our customers in an efficient and responsive manner.

Policies can be renewed and quotations can also be given over the phone, or you can submit your request for a quotation by e-mail.

Card payments can be processed over the phone. Alternatively, if you need to pay by cash/cheque or drop forms to our offices, please place them in an envelope in our letterbox with your name and phone number written on it.

Please feel free to contact us.
